

WE SEE THE POTENTIAL. DO YOU?

WHAT IS IMMPLOY?

Immploy links employers to programs, resources and tools for recruiting, hiring and retaining skilled immigrants. Efficient and easy to access, these resources can be leveraged by companies and organizations of all sizes.

JOB MATCH

Screens, short-lists and recruits potential candidates for employers from a group of job-ready, internationally trained newcomers.

MENTORSHIP

Connects volunteer mentors with job-ready newcomers seeking guidance and support in preparing for work in the Canadian context.

With the ongoing success of our **Job Match** and **Mentorship** programs, Immploy is excited to launch a new employer engagement initiative.

"Great work is done by people who are not afraid to be great." -Fernando Flores

Employer Engagement OPPORTUNITIES

1

CONSULTATION

To better understand the needs of businesses across various industries in London and the Southwestern Ontario region, consultations will be facilitated to:

- understand industry trends
- learn about barriers to recruiting and retaining newcomers
- find best practices in equity and inclusion work

EDUCATION

Customized education and training created for employers to address their unique needs. Topics may include:

- Equity & Inclusion
- Onboarding
- Recruitment & Hiring
- Workplace Integration

2

3

COACHING & MENTORSHIP

One-on-one and peer-to-peer support that focuses on workplace integration for newcomers. This key component moves beyond recruitment to emphasize the importance of retaining newcomer talent by creating and maintaining safe, welcoming and inclusive workplaces.

You hold the key to your potential.

Start opening doors.
